

COMPANY NAME

CONFIDENTIALITY AGREEMENT

I understand that in my position of employment with the company, I may be entrusted with proprietary information important to the success of the company.

This information may include client lists, pricing information, marketing or development plans, trade secrets, customer information and/or other proprietary information.

I agree that I will not disclose this information to any individual or business outside of this company without the written permission of the company representative signed below or the owner or President of the company.

Relying on this confidentiality, the company will, or may, provide me with such proprietary information.
